

Family Diversity, The Oler Family of Maryland with Allied Families Colley, Kennedy, Mason, and Smith

By: Nancy Lee Waters

This book traces the ancestry of Charles Edward Oler back to his great, great grandfather, Philip Oler as well as the history of his great grandmother, Charlotta Colley and her Welsh heritage. The Kennedy's are documented from his grandmother, Catherine Kennedy, back to Ireland. His mother's Smith and Mason families are also included.
